The screenshot shows the Maven mobile application. At the top left is a green 'ARTICLE' button. The main content area features a large image of a family (a man, a woman, and a child) sitting together. To the right of the image is a teal circular icon containing a white stethoscope. Below the image is a white card with a circular profile picture of a woman named Patricia Hall, identified as a 'Pediatric Sleep Coach'. Underneath her name are three time slots: 3:00 AM, 3:25 AM, and 5:15 AM. At the bottom of the screen is a large teal button labeled 'Schedule an appointment'.
